### **Writing Assignment**

In another document, answer the following questions. Write between one paragraph and one page.

1. Look back at Grudem's discussion of how the Spirit gives us power for service. To this end, how is the Spirit's work different and similar in the Old versus New Testaments?
2. When it comes to the supernatural gifts of the Holy Spirit, the lecture argued that we want to avoid the two extremes of Cessationism and Sensationalism. Which one do you tend to naturally lean towards? Why do you think this is? Taken to an extreme, how might this negatively impact your faith?
3. Consider this statement from the lecture, "The Holy Spirit living in us is better than Jesus in the flesh standing beside us." How does this make you feel?
4. Of all the points in the list of what the Spirit does for us, which is the one you have most often experienced in the past? Which one have you never experienced, or experienced the least. Why do you think this is?
